## April 2017 Price Guide Revisions

Price guide changes will take effect Friday, April 7, 2017, for Lumber. Contact Random Lengths for more information.

Random Lengths Lumber EMS (Electronic Media Services) distribution spreadsheet and database subscribers will soon receive an additional transmission from RL Message <misc\_msg@rlpi.com>, with updated tag information and database description files attached. Please add <misc\_msg@rlpi.com> to your address book and/or corporate email whitelist of approved senders, so these important attachments do not get blocked. If you do not receive them within 24 hours of this message, please contact us at: rlonline@rlpi.com

If you have any questions, please let us know.

Following is an article about the upcoming Price Guide changes that appeared in Random Lengths March 10, 2017.

### One change coming with April price guide update

One change in the Random Lengths Lumber Price Guide is coming with the April 7 issue.

A column for Inland Red Cedar #3&Btr boards graded on both faces will be added next to the traditional #3&Btr column on Page 7 of the 12-page weekly Random Lengths report.

This column of 1x4-1x12 prices will capture the market for a higher quality Cedar board that is more commonly produced today and generates a substantial premium to its traditional counterpart.
